

Bosse Class of '65 Reunion Committee
Wrap-up Meeting October 28, 2015

Present: Greg & Susie Gordon, Charlene Crews Dockins, Libby White Chapman, Pam Simmons Stone & Jim, John & Susan Larkins Pickens, Vella Johnson Goebel & Ron, Stan Newman & Sandy

Reunion statistics: Friday night Blush attendance: 92; Saturday night reunion: 110, Sunday morning memorial service: 35, Sunday brunch: 35 (not all the same as the memorial service.) We don't have a count on the Bosse tour, but it was a good turnout also.

As Yvonne was out of town, Greg presented her Treasurer's Report: Greg here is my report for the meeting.

As Stan devoted a great deal of his time and money to the production of the video, we voted (over his protest) to give him \$200 for the camera man's time, which was also substantial...and not donated.

We are still investigating possibilities for the Bosse/Owen Stadium donation...and still accepting donations.

Roger Wilson is working on setting the bosse65.org website up so people can post personal information, e.g. the stuff that is often in a booklet at the reunion or sold to people who couldn't be there. We would also encourage you to post your own remembrances and reactions to attending this reunion...partly to share for the people who couldn't be there and...maybe let those who could be there, but declined know they really missed something good.

By consensus, it was decided that we would meet at Blush on Fall Festival Friday every year. There is also interest in having a class 70th birthday party in a couple years. We will likely get together semi-formally periodically as we have for the last 20 years. We can always use fresh perspective and task sharing with new committee members so we will let you know when we meet.
